

SOCIAL RESPONSIBILITY

We are interested in the continuous development of the company. We are growing, which means our responsibility towards employees, customers and the whole planet is growing too.

Our team supports the following areas of social responsibility:

- 
- **Contribution to the future:** training courses
 - **Bonuses for employees:** social package, free lunches
 - **Activities outside of work:** team buildings
 - **Charity:** donations to orphanages
 - **Health care:** financial support for difficult children's medicine sections
 - **Plastic 0:** sorting and recycling of plastic waste
 - **Green Planet:** sorting and recycling incandescent bulbs, batteries, paper and printer cartridges
